More than oxygen, I need your love
More life giving food the hungry dream of
More than an eloquent word depends on the tongue
More than a passionate song needs to be sung

A

More than a word could ever say

A

More than a song, could ever convey

 $F^{\#m}$

I need (love) you more than all of these things

A

Father I need (love) You more

A

More than magnet and steel are drawn to unite
More than poets love words to rhyme as they write
More than the comforting warmth of sun in the spring
More than the eagle loves wind under it's wings

(Chorus)

(Solo - E A (repeat x4))

**More than a blazing fire on a cold winter's night
More than the tall evergreens reach for the light
More than the pounding waves long for the shore
More than these gifts you give I love you more**

(Chorus)
